ANNOUNCE VALUATION

Report Shows Rapid Expansion For Entire County

"Watch Daly City Grow" is no empty slogan.

Vividly demonstrating the expansion of this community during the last year, the county assessment roll submitted this week to the board of supervisors shows a 1940 assessed valuation for Daly City of $4,016,080.

The four million dollar figure is a jump of $97,755 over assessed valuations here last year, or a gain of 2.5 per cent.

This is approximately the same gain as is shown for South San Francisco, with a 2.5 per cent increase, and Burlingame with a 2.6 per cent.

San Mateo county shows a record increase of almost five million dollars. Jumping 3.5 per cent since last year, the county's assessed valuation totals $108,119,883, an all-time high.

Of the total county figure, cities account for $72,120,035; unincorporated areas, $33,381,165.

Topping the list of county municipalities is San Carlos, where assessments are up 19.5 per cent and at the bottom of the list stands Hillsborough with a 2.7 decline.

Valuations by cities (figures in parentheses indicate percentages of gain or loss):

Atherton, $5,189,345 (3.9); Bayshore, $273,345 (6.6); Belmont, $1,138,950 (.91); Burlingame, $12,276,970 (2.6); Daly City, $4,016,080 (2.5); Hillsborough, $11,426,010 (—2.7); Lawndale, $560,960, (—.7); Menlo Park, $2,203,710 (9.4); Redwood City, $7,438,930 (5.4); San Bruno $3,103,510 (16.7); San Carlos, $3,114,890 (19.5); San Mateo, $16,167,730 (6.5); South San Francisco, $5,298,605 (2.5).

County News

Pledge Loyalty

All Work Projects Administration employees in San Mateo county have signed sworn statements attesting that they are loyal to the United States and are not aliens, the county WPA director announced today.

The statements are required under a provision of the federal relief act.

National Base

San Francisco municipal airport, Mills Field, has been designated the national base for United Air Lines' new fleet of 20 four-motored DC-4 liners, it was announced today.

United, already increasing its facilities at the field by establishing its Western terminal base there, is planning to double its personnel to 500 men and raise its investment to half a million dollars, it was reported.

The new 42-passenger ships will be put into service next Spring.

Mercury Rises

As the temperature rose to 93 degrees the San Mateo fire department reported the hottest July 5 since before records were kept at the firehouse.

The advance of the mercury also established a new high for 1940.

Start The Record Presses Rolling To Turn Out Stream-Lined Version of Civic-Commercial Directory - -

"Zip, zip, zip," go the presses as the first run of the new 1940 Daly City directories slides off the presses to be stacked in great white sheets, ready for cutting and folding.

Then, neatly stitched and bound with apple-green covers, thousands of the attractive hand-books will be ready to tell their fascinating story of life in Daly City.

Repeating their phenomenal success of last year, when ten thousand copies found their way into all parts of the world, this year's directory will be distributed free to every home in Daly City, will be placed on Treasure Island, and will be sent upon request to many foreign countries.

Highlighted by scores of interesting photographs and treated less formally than last year's edition, the new stream-lined Directory is a book every Daly City tion, the new stream-lined direc- and proud to send to out-of-town friends.

Using the word "Gateways" as its theme, this year's book tries to answer the questions—"What opportunities does Daly City offer me? What fun can I have here? What civic services are mine? What commercial advantages are available to me?"

In addition to action-crammed photographs and personalized reading matter, the directory contains many convenience features, a detailed map of the community, an alphabetized business section, and a complete organizational list.

It is a book which contains the friendliness and the enterprise of the community it represents, and the publishers are proud to announce that copies will be ready for distribution in a short time.

Daly City Youth Wins Ten-Day Tour

Bernard McDermott, a fifteen-year-old Daly City youth, this week beat all other San Francisco News carriers to take first place in the huge Grand Canyon summer contest sponsored by the San Francisco News.

Competing against several hundred other boys, Bernard brought in the highest number of subscriptions to place him at the top of the list.

As the result of the contest, Bernard and three other top-ranking boys will leave here early this morning for a ten-day wonder tour of the Southwest.

The all-expensce paid vacation will include such famous spots as the Grand canyon, Zion National park, Boulder dam, Bryce canyon and a trip around Lake Tahoe.

Bernard grinned when he was informed that he had won the prize.

"This trip's going to be a lot of fun," he remarked. "And I wish you'd say that I want to

Youngsters Send Fan-Mail To Bodien

Public officials seldom receive fan mail, but such was the pleasant experience of Water Superintendent A. J. Bodien this week.

A dozen neatly-folded notes from fifth-grade pupils of Woodrow Wilson school thanked Bodien for his kindness in taking them on a tour of the municipal pump house recently.

"I am writing to tell you that I enjoyed every minute at the Daly City Water plant," typical sentences read. "I thought it was very nice of you to have such patience with us."

"I think the men keep the plant very clean." "I never knew how

Rivals in Mexican Presidential Race

When they go to the polls 'South of the Border', the results are likely to be tempestuous, to put it mildly. Forty-eight persons were killed and 400 wounded in the presidential election. Statements from General Manuel Avila Camacho, Government candidate (left), and General Juan Andreu Almazan, his chief opponent (right), were expected at any time, both claiming election by a big majority. But the official count is to be made only tomorrow and is not to be announced until after the new Congress meets, September 1.

Barefoot Man Storms Into Police Dept.

Daly City police are accustomed to odd customers, but even they were surprised Sunday afternoon when a barefoot gentleman in swimming trunks walked into the office.

Having driven several miles in little more than his birthday suit, the gentleman was in an irate frame of mind.

Police finally pieced together his story. Feeling in a mood for a swim, he had parked his car outside of the Olympic golf club on Skyline boulevard.

When he returned from his dip, he told them bitterly, a car window was smashed, $4 in cash was missing and his pants and shoes had vanished.

Police sent him home to don some clothing.

Daly City 'Fourth' Sane--Almost

Except for a flag-pole crashing through a restaurant window and an automobile burning up at 3:30 o'clock in the morning, Daly City spent a sane and quiet Fourth.

Neither of these two minor mishaps resulted in personal injury.

Firemen of companies No. 1, 2 and 3 arose early in the morning to start celebrating the Fourth. A fire alarm at 3:30 a. m. called them to 379 Woodrow street to

Form D. C. Unit For Allied Relief

Formation of a local unit of the British Allied War Relief movement to supply clothing and hospitalization needs to Allies was announced here this week.

A group of local women will meet every Wednesday from 10 a. m. to 3 p. m. to knit clothing and make bandages for Allied relief.

Place of the meeting will be 67 Los Banos avenue, volunteered for the purpose by the Daughters of Israel.

Sponsors of the project stressed the fact that the group is not restricted to members, but is open to anyone.

Expect Contest Over County Post

Hugh H. Smith, chairman of the board of supervisors, was reported in reliable sources this week to have told his friends that he planned to become a candidate for county executive in 1942. He would undoubtedly be opposed by the incumbent, Colonel Frederick Peterson. The two have been bitter political enemies for several years.

Smith let it become known last year that he would not seek reelection to the board of supervisors and he did not file for the election which takes place August 27.

According to political circles here this was planned in order to leave Smith free to make the race against Peterson.

The chairman of the board reluctantly admitted that he had considered becoming a candidate but insisted that he had not yet made up his mind. Business interests, he said, would be the determining factor.

Peterson's Reply

The announcement that Smith may run for county executive brought a statement this week from Executive Frederick Peterson that he was "glad" the retiring board chairman "at least" realized the value of the office to the county.

"I am glad to observe in the press that Supervisor Smith at last realizes that the position of county executive is of greater value to the county than he thought a few months ago when he called a special election to amend the charter abolishing the office."

The charter amendment proposal climaxing a controversy between Smith and Peterson, was defeated at a special election last November 7.

Girls Leave For Summer Camp

Twenty-five excited little girls left Daly City early Monday morning for a week's fun at Camp Shadowbrook in the Santa Cruz mountains.

While there, they will sleep in tents, swim, hike and take part in all the other outdoor activities which help build sound minds and healthy bodies.

Their thrilling vacation is the result of a recent "Earn-Your-

COUNCIL STUDIES NEW CLAIM

Former Engineer Says Typographical Error Was Made

The uneasy shadow of Julius F. Castelan, former city engineer, continued to hang over the council meeting, Monday evening, when a revised claim for alleged unpaid services was rejected by unanimous vote of the board.

The revised claim replaced a former bill totalling $10,000 placed against the city June 24. Claiming that a typegraphical error had been made, the new bill reduces the cost of engineering work on the Junipero Serra sewer from $2500 to $250.

The claim includes charges for services as bus superintendent; building, plumbing and electrical inspector; and engineering services on the South End street project.

Castelan's name figured prominently in another claim placed against the city Monday evening, that of the four municipal bus drivers.

Alleging that Castelan had instructed them not to enter their overtime during the proper week and had promised to take care of it later, the four drivers entered separate bills which totalled $257.70, for overtime dating from January 1.

The city clerk was instructed by the council to request an explanation from the former bus superintendent.

Upon the recommendation of Water Superintendent Arthur J. Bodien, all bids for the new switchboard for the municipal pump house were rejected by the council, with only one dissenting vote, that of Councilman Paul G. Selmi.

Bodien explained that he had found it advisable to make several changes in the specifications. The council suggested that the services of an electrical engineer be employed on the matter before a final decision was reached. Bids for the pump were laid over until the next meeting.

A resolution formally placing the operation of the buses in the hands of the San Mateo-Burlingame transit company officially ratified the tentative agreement drawn up at an informal executive meeting June 29.

The council will meet in informal session tomorow evening with South End property owners to discuss the WPA streets improvements project.

Organize Guard For Home-Defense

The home-defense guard of the San Mateo county American Legion posts today was being whipped into shape following a meeting last week in Burlingame.

Purpose of the plan is defense of Peninsula homes against invasion. Split into five groups, members of the guard would co-operate with police, firemen and highway patrolmen, while others would form into rifle units and general service which would muster all auxiliaries of the legion.

It is thought that 2000 persons could be mobilized by the posts in San Mateo county in an emergency.

Advance Tennis Tourney Dates

Opening date of the fourth annual county-wide tennis tournament sponsored by the recreation program of the Works Projects administration, to be held in Central park, San Mateo, has been postponed from July 9 to 16, and the closing date for entries made July 14 instead of 6. The date of the drawings has also been postponed to July 15.

This postponement in date has been made necessary because so many of the proposed contestants are leaving for their vacations during the first two weeks of the month.

Statisticians Find Men Sign Most Buick Orders

While feminine influence is recognized as a dominant factor in selection of the family automobile, men sign 82.8 per cent of the orders, according to an analysis recently completed by Buick sales department statisticians.

The study covered new car sales by this manufacturer since the announcement of 1940 models last fall and classified the new owners as to occupations.

Fourteen per cent of the orders for new cars were signed by women. Orders signed in the names of firms and business concerns accounted for 3.2 per cent of the total.

Classification by occupational groups showed a wide spread of ownership into virtually every trade and profession. More laborers bought new Buick cars this year than financial men. In the financial classification were listed bankers, bond and stock brokers, financiers, organizers, investors. Manufacturers accounted for 3.5 per cent of all Buick sales while buyers holding clerical positions such as accountants, bookkeepers, auditors, clerks, stenographers, secretaries, typists, telephone and telegraph operators, accounted for 3.6 per cent.

Leading the list of occupational groups were merchants and tradesmen with 16.3 per cent; salesmen with 11.4 per cent, and business executives, 11.2 per cent.

Chevrolet Exhibit At Exposition Draws Huge Crowds

Chevrolet dealers of Northern California are high in their enthusiasm in their comments on the beautifully new and completely modernized Chevrolet exhibit which is drawing record-breaking crowds daily to the General Motors exhibit at the Golden Gate International Exposition.

"In every way possible, designers and officials of Chevrolet Motor division have made our 1940 exhibit on Treasure Island the most attractive of its kind ever seen anywhere," said M. J. Soldavini, Belli Motor company, Daly City and Colma Chevrolet dealer. "Our Chevrolet display is the largest in the General Motors exhibit and embodies a host of advances in the industry that are receiving the immediate acclaim of visitors. Presenting sparkling new colors and features, six 1940 model Chevrolets of all series are placed to advantage around the elaborate display floor and surround the two main Chevrolet attractions: the chromium chassis, which affords the public a perfect view of the strong construction and mechanism of our 1940 car, and the "Magic Mirror" stage, which automatically frames a smart new 1940 Cabriolet against an all-season's background," Soldavini explained.

Motorists who haven't already visited the Chevrolet display in the General Motors exhibit are cordially invited to do so, Soldavini pointed out, in order that they may see at close hand the many improvements, both from a comfort, as well as a safety angle, that Chevrolet Motor division engineers are constantly striving to give the driving public. "Throughout the exhibit, are many highly interesting and educational features," concluded Soldavini, "and I personally believe that an inspection of this 1940 showing will be well rewarded."

Letter To The Editor

To The Editor:

Lewis Bryant Moore has written many poems of greater literary value than "WHEN" but none perhaps more significant of the fact that, as a World War Veteran, disabled in active service, he has learned whereof he writes—that "the caprices of fortune are NOT final." Through many discouraging years of consistent writing he is now beginning to receive encouragement from outstanding and recognized authorities.

V. F. BAZEMORE

WHEN

By Lewis Bryant Moore

When the sword of foe, or friend
Has run you through,
There's a thousand to condemn
And none to praise.
When lashed by hard defeat
You back—alone,
Bear it, nor with much ado,
As best you would the best,
As though the worst was the best
Planned—for you.

The caprices of fortune are not final.
Though you go down
You are not alone:
Others fell where you fall!
One final blow may carry the field,
It is cowardice to yield.
Death stalks all, even a king.
It is not that you live or die,
It is the cause to be won!
This is the nobler thing.

'Tain't Nice To Be A Pig

One right-of-way theft which is not recognized for what it is, is that of coming to a stop on the crosswalk reserved for pedestrians. Yet it constitutes one of the most annoying and most common invasions of territory that belongs to others.

When haled into court for this breach of the regulations many motorists profess surprise that it is a punishable offense. They regard it as a matter of etiquette—to be heeded or ignored as the individual sees fit, and it takes a fine sometimes to teach them that giving the pedestrian his specified pathway is a provision of law.

Plan Popular-Price Ice Follies Matinee Saturday

Current local appearance of the all-new Ice Follies of 1940 at Winterland, in San Francisco, was again extended this week as enthusiastic audiences continued to view the dazzling ice skating spectacle.

Coupled with the extension was announcement of the season's first popular-price Ice Follies matinee, set for Saturday afternoon. There will be a special admission scale, it was stated.

While other matinees may be held in the future, the July 13 event is the only one on the schedule at present, according to the management.

The same great cast of stars and the same sparkling ensemble which provided a new form of entertainment for Bay area audiences when the Ice Follies appeared at Winterland for the first time in 1939 is back again, but with an entirely new production.

All of the stars and all of the ensemble will appear in the special July 13 matinee, it was announced.

Ice Follies has 65 of the best skaters in the United States here for its new production. The blade extravaganza includes 24 spectacular numbers including comedy, colorful group numbers, a series of thrillers and more than a score of well-known stars.

Ice Follies tickets are available for every night at Winterland, WAlnut 0112; at Sherman Clay box offices in San Francisco and Oakland, and by mail order addressed to Winterland, Post and Steiner streets, San Francisco.

Hunting for Hero

Boy Scout E. L. Montgomery of Parsons, Kan., saved a man from drowning in the Elk river last July 4, but he forgot to get the fellow's name. It took Scoutmaster Dan Devin weeks to track him down so he could get him to sign a petition recommending a medal for Montgomery. He said he was glad to know who it was that saved him because the day it happened he was too excited to inquire.

Associated with it in the receiving set are 18 to 36 radio tubes, as compared with 4 to 16 employed in the metal and its alloys are also used in the transmitting equipment.

Miss Rancatore Claimed At Altar By M. E. Yriberri

Miss Florence Rancatore, daughter of Mrs. Minnie Rancatore, 99 Evergreen avenue, became the bride of Miguel E. Yriberri, at a beautiful wedding Sunday afternoon at Our Lady of Perpetual Help church. Father Thomas Phelan performed the ceremony.

The bride wore a white satin gown and a "Mary, Queen of Scots" headpiece. She carried lilies-of-the-valley and bouvardia. Wearing blue crepe and carrying begonies, her attendants were Mrs. Kenneth Hayden, maid of honor, and Miss Alma Paganini, San Mateo, as bridesmaid.

Nearly fifty guests attended the family dinner at Marconi's restaurant in San Francisco. More than two hundred friends gathered at the reception which followed at the California club to offer congratulations to the couple.

Mr. and Mrs. Yriberri left Sunday evening for a two-week honeymoon in Southern California. Upon their return they will be at home to friends in their newly built house at 75 Evergreen avenue.

Miss Julia Bertini Honored Guest At Bridal Shower

Miss Julia Bertini was guest of honor at a surprise bridal shower given by her sister, Miss Emelia Bertini, last Saturday, at the home of Mrs. E. Franzoia, Colma.

The tables were beautifully decorated for the occasion. In front of the bride-to-be was a white altar centerpiece, banked with lilies-of-the-valley, before which were a miniature priest, bridal pair, bridesmaids, best men and ushers. The three little bridesmaids were dressed in pink and blue and carried lilies-of-the-valley.

Matching the table decorations were the blue, white and pink crepe paper festoons on the walls. Directly above the guest of honor hung two pink umbrellas filled with pink and white balloons from which fell white ribbon streamers.

Miss Bertini received many beautiful gifts, both from the friends who were present at the affair and from others who could not attend.

Present to greet the bride-to-be at the shower were Misses Emelia Bertini, Melba Padreddii, Adrienne Domecus, Rena Marenco, Babara McCoy, Yolanda Guisti, Dina Marengo, Jean Cecchi, Lillian Ciardella, Susie Massini, Rita Paccini, Minnie Guastavino, Gladys Conti, Dina Marsili, Hazel Neves, Norma Bertetta.

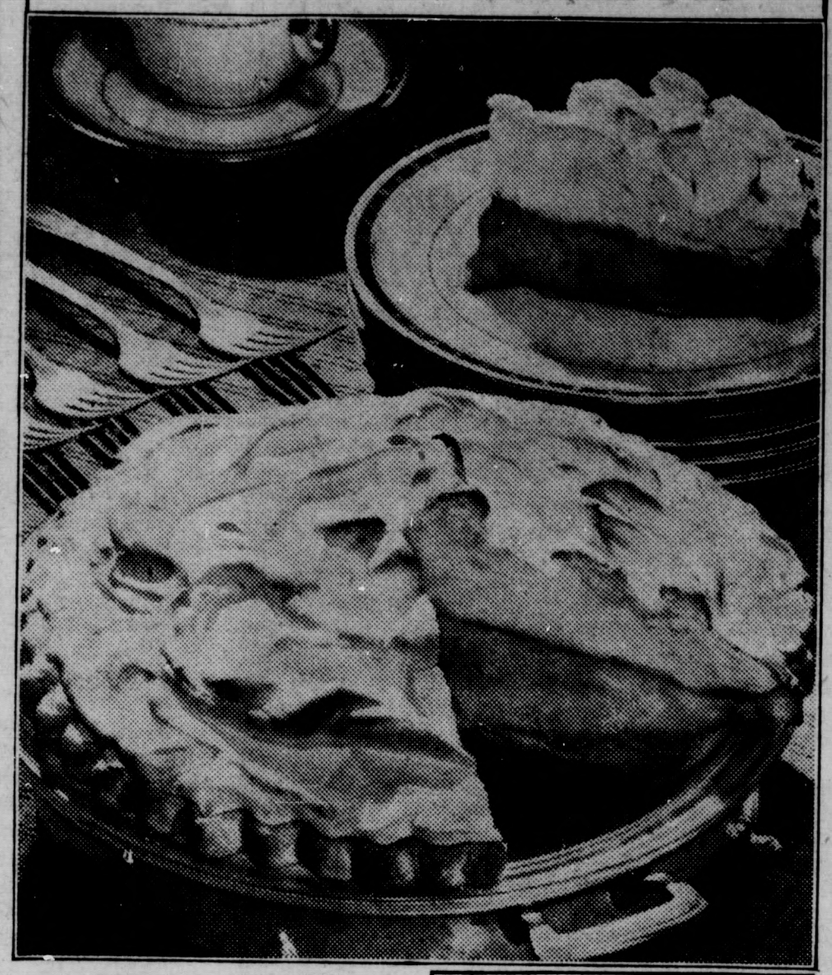
New..Different..Delicious! Chocolate Ice Cream Pie



Your family will love this novel dessert in its flaky, tender pie shell

• Chocolate Ice Cream Pie is a dessert that makes everyone sit up and take notice. See how quick and easy it is to prepare! Simply fill a flaky pie shell with chocolate ice cream and spread with a fluffy meringue. Then brown in a very hot oven.

Here's the secret of doing this without melting your ice cream. Have the cream *firm*. The pie shell and the meringue keep oven heat from the ice cream. When you pile on your meringue, be sure to spread it evenly up to the fluted edge, so that no little gap lets in the hot air.

Surprise your family with this novel dessert *soon*. For variety, Ice Cream Pie is delicious made of strawberry cream, and the meringue flavored with a teaspoon of lemon juice.

Fruit pies grand summer desserts, too

Try flaky Spry pastry shells for fruit pies and tarts, too. Like Ice Cream Pie, they're so refreshing in hot summer weather. And with pure triple-creamed Spry, you can make pastry so delicate in flavor, so flaky and tender, that it is a perfect accompaniment for tart fresh fruits.

It is easy to make pie shell or tarts *early*. Just before serving, fill with fresh fruit or berries; top with whipped cream. Fruit gelatins with fresh fruit added make tempting pie fillings, too. Fill pie shell as soon as the gelatin begins to set, then chill in refrigerator.

Chocolate Ice Cream Pie

1 baked Spry Pie Shell
3 egg whites
9 tablespoons sifted confectioners' sugar
½ teaspoon vanilla
1½ pints chocolate ice cream

Chill baked pie shell thoroughly. Beat egg whites until stiff but not dry. Add sugar gradually (about 1 tablespoon at a time) beating after each addition until stiff. Beat in vanilla. Spread ice cream in chilled pie shell. Pile meringue lightly on ice cream. Bake in very hot oven (500° F.) 2 to 3 minutes. Chill and serve, within 30 minutes. Serves 6.

Baked Spry Pie Shell

1¼ cups sifted all-purpose flour
½ teaspoon salt
⅓ cup Spry (triple-creamed shortening)
3 tablespoons cold water (about)

Sift flour and salt together. Add ½ of Spry and cut in until mixture is as fine as corn meal. Add remaining Spry and continue cutting until particles are size of a navy bean. Sprinkle water, 1 tablespoon at a time, over mixture. With a fork, work lightly together until a dough is formed. Roll dough ⅛-inch thick and prick with fork. Place dough in pie plate and let relax 5 minutes. Pat with ball of dough. Trim pastry ½ inch larger than pan and turn back edge. Flute rim. Bake in very hot oven (450° F.) 15 minutes.

(All measurements in these recipes are level)

Top with a thin layer of whipped cream just before serving. Cut out this pie shell recipe now and you will never be at a loss for summer desserts.

New Comedy Hit Opens Tomorrow At D. C. Theatre

Columbia's consistent record of comedy hits continues. "The Doctor Takes A Wife," the new comedy which opens tomorrow at the Daly City theatre with Loretta Young and Ray Milland co-starred, follows in the wake of such recent successes as "Too Many Husbands," "His Girl Friday," and "Mr. Smith Goes to Washington." It is a worthy addition to Columbia's collection of redoubtable films like "The Awful Truth," "It Happened One Night," "Mr. Deeds Goes to Town" and "You Can't Take It With You."

Lovely Loretta Young, in the giddiest role of her career, has won high praise for the delightfulness of her first all-comedy characterization. She's hilariously seen as Public Spinster No. 1, the girl who writes books in praise of single blessedness. She thinks she doesn't like men, until she meets and "marries" a man who doesn't like women, and then she knows she doesn't like men! Ray Milland, the youthful expert in heart trouble who cannot even cure himself, is said to provide an equally enjoyable portrayal as the doctor who takes a "wife."

Supporting the stars in this funpacked narrative of a young doctor and a young author who pretend to be married because their careers depend upon it, are such well-known Hollywood personalities as Reginald Gardiner, the British comedian; Gail Patrick, Edmund Gwenn and Georges Metaxa.

Companion feature will be "Saturday's Children," with John Garfield and Anne Shirley.

COMEDY CO-STARS

She writes books in praise of spinsterhood; he is a doctor who hates all career women. But in Columbia's "The Doctor Takes A Wife," co-stars Loretta Young and Ray Milland are forced to pretend they are married and, eventually, they discover that the title of her book, "Marriage Ain't Measles," is singularly apt! Reginald Gardiner, Gail Patrick, Edmund Gwenn and Georges Metaxa are others in the cast of the Daly City theatre attraction which opens tomorrow.

One of the symptoms of fish poisoning in a human being is the reversed sensory impressions received when contacting cold objects, says Collier's. A cool metal railing feels warm to the hand, while ice cream feels so hot to the mouth that the eater instinctively blows upon it.

BUYING Gas Heating for our home *now* was the best kind of a bargain. We save money on what our home had to have. It helped, too, that our monthly payments do not start until October 1st. We bought one of the new blower type furnaces with filters just like the furnaces we have seen in several model new homes we have looked through on Sunday afternoons. We figured, too, that the present low prices won't keep low very much longer. We're advising our friends to hop on this bargain opportunity before it is too late.
